

MOSINEE COMMUNITY
**ATHLETIC
COMPLEX**

YOUR SPORTS • **YOUR PLEDGE** • YOUR FUTURE

Building the Mosinee Community Athletic Complex is a multi-phase project that began in 2010. To date, the MCAA has raised just over \$300,000 and has secured annual support from the Army National Guard to help complete different phases of the complex until 2020. The Army National Guard will be on-site June 11 – 18, 2015 and August 8-18, 2015 with approximately 54 soldiers to begin work on Step 1, Phase 1 of the project. We are excited that the Army National Guard has made the MCAA Athletic Complex a priority for their Wisconsin training and have committed their professional expertise, time and energy to help build this community asset.

Our fundraising efforts are continuing and will determine how far we can go with the project during 2015. We ask that you review our initial Steps 1-4 of Phase I in our project, and consider how you can contribute and support this amazing opportunity for our youth.
